SCHOOL POLICIES AND REGULATIONS

1. Students must clock in and out on the day they are in attendance, otherwise there may be no credit given for hours.
 2. All students should clock in 10 minutes prior to the start of their day.
 3. Students tardy on Theory days (Tuesday, Wednesday, and Thursday) may be denied entry to that day's class.
 4. Students tardy on Client Services days (Monday, Friday and Saturday) may lose clients or morning hours.
 5. Students arriving late **for any reason** must check in at the front desk when they get to school, immediately after clocking in. **Excessive tardiness will result in an infraction, at discretion of management.**
 6. Make-up days must be approved at least one day in advance, and are subject to all the same policies that affect a normally scheduled day. When arriving for a make-up day, a student must clock in as normal, **AND** sign in at the front desk.
 7. **If a student cannot attend a scheduled day, they must call at least 10 minutes prior to the start of that day to avoid an infraction, regardless of the reason for the absence. Extenuating circumstances (e.g. child illness, emergency hospitalization, traffic collisions) will be considered if documentation is provided.**
 8. Student call-ins for tardiness or absence can be made starting at 7:30am, and all call-ins **must be confirmed by the front desk manager**. Any student who is absent and does not call to notify the school may be suspended.
 9. Two (2) unexcused absences in a 30-day period may result in up to a three (3) day suspension.
 10. Absences are considered unexcused for the following reasons:
 - a. Failure to call on time.
 - b. Student leaves a message on the answering machine instead of speaking directly to a Glen Dow Academy staff member.
 - c. Student leaves for the day without first notifying a staff member.
 11. Doctor's notes must be submitted **within one week of the relevant absence** to the Director of Records in order to qualify for the waiving of attendance fees.
 12. Students are expected to **attend all scheduled hours**. To schedule a pre-excused absence, students must fill out the school's "Request for Time Off" form, and submit it to the front desk at least one day prior to the requested day. Approval of requests will excuse absences and prevent an infraction, but **do not remove the day from the student's schedule**. This excused absence will use up one of the student's 12 No-Charge days, if that student has any available. **If not, they will be charged for the absence.**
 13. Students must clock out **when leaving the school for any reason**, as well as at the start of their lunch period, and clock back in upon returning. Failure to clock out will result in an official infraction. Failure to clock back in may result in the student not receiving credit for their hours. It is the student's responsibility alone to ensure this. Excessive time clock infractions will result in suspension.
 14. Students **must** be first released by their instructor or the School Director if they need to leave the school during their scheduled hours. **If leaving the campus for ANY reason, students are required to clock out first.**
 15. The school reserves the right to send students home for the day for the following reasons: Disruptive behavior, insubordination, failure to meet student appearance guidelines, or continuous policy violations.
 16. Tobacco and/or electronic cigarette use of any kind is **STRICTLY PROHIBITED** inside the school. Use of such products inside the building may result in immediate suspension. Smoking is allowed outside the building in the parking lot, **but must be 25 feet from ALL entrances.** Please use the receptacles provided by the school to dispose of cigarette butts.
 17. As required by the City of Spokane, students **may not sit on the sidewalk or blacktop** of the Glen Dow Academy campus.
-

18. **Cell Phone Policy** – Students are permitted to bring their cell phone to school. We embrace the potential that cell phones have as a technological learning tool in the classroom, and encourage instructors to implement the use of cell phones, when appropriate, into their lessons. Students may use their cell phones for personal use during break periods or lunch, but **never on the clinic floor or within view of clients**. Use is allowed **only on the second floor, in the student entrance, or outside the building**. Students are expected to turn off their cell phones when entering a classroom, unless otherwise allowed by their instructor. Cell phones will not be confiscated for any reason, as we believe that confiscation creates a further distraction for the student, which can interfere with the learning environment.
19. Students **may not** chew gum inside the school building at any time of the day.
20. **The school is not responsible for lost or stolen student equipment or property**. Lockers are provided to students for the purpose of securing their personal property, and should be kept locked at all times.
21. All packages, bags and purses are subject to searches at any time it is deemed necessary.
22. Compensation time documentation must be turned in on the same day that the compensation time is given. Completed forms are to be delivered to the Director of Records.
23. The school requires that all areas be maintained in a clean and sanitary way. Students are required to perform sanitation duties on a rotating basis every week, which are overseen and confirmed by instructors.
24. The elevator is **only** to be used **while escorting clients** to and from their appointment.
25. A **zero tolerance** policy is observed in regard to weapons and/or theft of any kind. Any objects that could be used in such a way as to harm or threaten others may be considered weapons, other than student-issued equipment. Students with weapons and/or stolen property in their possession may be suspended or expelled as a result.
26. Students must have instant hand sanitizer at their clinic station at all times.
27. Students **must** hand in all financial aid paperwork on time to the Financial Aid Director or they may be suspended until the paperwork is completed.
28. The school parking lot is for **client use only**. Students are not allowed to park in the lot at any time, **even for short periods**. Students' family, friends, and models are also not allowed to use the school parking lot unless they are receiving a paid service. Violations may result in a student infraction or suspension, and the vehicle in question may be towed.

Behavior and/or content that may be deemed disrespectful, dishonest, offensive, harassing or otherwise damaging to the school's interests or reputation is not permitted. The use of social networks on company time for personal purposes is prohibited. Recording live video on campus is also prohibited without prior approval and supervision by the management of the school.

The Glen Dow Academy maintains the right to monitor any student activity in social networks which involves the school or its operations. Violation of these guidelines will result in discipline up to and including expulsion.

SUBSTANCE ABUSE POLICY

A student who shows signs of substance abuse may be required to do an observed drug test within the hour. The cost of the test will be at the student's expense (\$50-\$100). If the result of the test confirms alcohol intoxication, or any amount of marijuana, meth, crack, cocaine, ecstasy, opiates, OxyContin, hallucinogens, inhalants, GHB or any other illegal drugs, a substance abuse counseling program may be required before the student can return to the school.

EXPULSION FOR CONDUCT VIOLATIONS

A student may be expelled from their course for any action or conduct which is, in the opinion of the management, disruptive to the school environment or otherwise reflects in any unfavorable way upon the institution. Students who are expelled for conduct violations will not be reinstated unless the school's Administration can be assured that the issue which resulted in the expulsion has been corrected.

Conduct which may result in expulsion includes: Repeated insubordination, repeated appearance violations, repeatedly improper or unacceptable practical performance, habitual absenteeism, repeated disruptive behavior, alcohol consumption or intoxication on campus, illegal drug use, harassment of other students, consistent emotional instability, possession of weapons or stolen property, or other repeated and/or excessive policy violations.

ABSENCES AND TARDINESS

Regular attendance is expected at all scheduled classes. Absences must be excused by either arranging ahead of time by submitting a request for time off or by calling 10 minutes prior to beginning of the scheduled day. Two unexcused absences in a thirty (30) day period constitutes unsatisfactory attendance. A student who has two unexcused absences is subject to disciplinary action, i.e., up to three (3) days suspension. Tardiness in the morning may result in no admittance to the school for morning classes or loss of clients. **Excessive absences and tardies** without an acceptable excuse is cause for discipline including suspension or expulsion.

NO-CHARGE DAYS POLICY

Each student begins their course with 12 "No-Charge Days". No-Charge Days are used to prevent students from being charged for scheduled time they did not attend. These days **ONLY prevent charges**, and **will not excuse** any absent time; absences must still be excused according to regular attendance policy to avoid an infraction. No-Charge Days **will be applied any time a student is absent, whether it is excused or not**. Missing half of a day or less (even as little as 15 minutes), will use up half (0.5) of a No-Charge Day, and missing more than half a day will use up one full (1) No-Charge Day. Once all No-Charge Days have been used to prevent charges, the student will be charged at their contracted hourly rate of \$25.00 per hour for **any absent time which is not excused by a doctor's note**.

LEAVE OF ABSENCE POLICY

Any student may request a leave of absence for a maximum of one hundred eighty (180) calendar days. A request for leave of absence must be submitted in writing and approved by the School Director before it is made official. The school reserves the right to accept or deny a leave of absence. In any twelve (12) month period the school may grant more than a single leave. The leave involves no additional charges by the school to the student. A leave of absence requested due to a student's medically determinable condition will be approved by the school upon receiving a recommendation from a doctor, in accordance with federal regulations for extenuating circumstances, i.e. pregnancy, surgery.

If enrollment is temporarily interrupted for a leave of absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence, and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll within six (6) months of the original withdrawal date will return in the same satisfactory academic progress status as at the time of withdrawal.

SCHOOL CLOSURE

Students should call the school at least twice between 7:30 and 8:00 a.m to confirm a potential school closure due to snow, natural disaster, et cetera. If there is no answer after eight rings, consider the school closed. Students can also check the following websites for posted school closures: www.glendow.com or www.facebook.com (search: Glen Dow).

STUDENT APPEARANCE GUIDELINES:

A student's clothing, hairstyle, makeup, and overall appearance should reflect professionalism, cleanliness, current styling standards of the Cosmetology industry and acceptability to the general public.

12. Piercings are permitted at the discretion of management, depending on size and design of jewelry, if they do not present a safety hazard.
13. Jewelry may be of any color.
14. Special "dress up" days may be designated, and will be announced to students.

Students who are not in compliance with appearance guidelines may receive an infraction, and will be asked to either get within compliance or leave for the day.

HARASSMENT POLICY

Glen Dow Academy is committed to fostering an educational environment in which every student may feel safe and secure. Therefore, it is the expectation of Glen Dow Academy and its staff that all students will treat each other with respect and due consideration for the entire duration of their enrollment. To that end, harassment, intimidation, persecution, belittling, and bullying **will not be tolerated under any circumstances**. Accusations concerning these sorts of behavior are taken very seriously, and will be investigated thoroughly by administrative staff. Violations of this policy will result in consequences up to and including expulsion, depending on severity.

Examples which constitute a violation include, but may not be limited to:

- Actions which cause a student to be in reasonable fear of physical harm or destruction of property, whether the threat is real or perceived;
- Creating a hostile environment which has a clear and detrimental effect on a student's physical or mental health, ;
- Unwelcome sexual behavior or advances of any kind, whether verbal or nonverbal, ;
- Unwelcome conduct or contact, verbal or physical, that is pervasive, persistent, severe, **or** otherwise causes a student to fear for his/her safety and security, regardless of intent, ;
- "Hazing" - Intentional and reckless acts that are directed against any other student, which endanger or threaten the physical and/or mental health of that student, or coerce that student to endanger themselves, ;
- Conduct which has the effect of substantially interfering with a student's academic performance, or with their ability to participate in or benefit from the services, activities, or privileges provided by the school, ;
- Behavior and/or communication that is demeaning, aggressive, or otherwise disparaging, and concerns a trait or characteristic of the student, including but not limited to: Student's race, ethnicity, sexual orientation, gender, creed, religion, age, academic capability, wealth, living conditions, physical appearance, physical or mental disability, national origin, citizenship, marital status, etc.

Any student who feels harassed, threatened, or belittled is greatly encouraged to submit an official grievance form or written letter to the School Director, as close as possible to the date of the event/s, and with as many specific details as possible. Once the complaint has been received, an official investigation will be expedited to determine whether policy has been violated, and the actions must be taken to resolve the situation. The safety and privacy of our students will always remain top priorities throughout the process of any investigation.

STUDENT RECORDS AND RELEASE OF INFORMATION

Students are permitted to review any portion of their records by requesting an appointment. Student records are considered confidential, and information will be released only by written consent by the student or his/her parents in accordance with FERPA regulations. In addition, the school may provide access to student and other school records as required for any accreditation process initiated by the institution, federal, state, or accrediting agencies. The Glen Dow Academy of Hair Design, Inc. will provide the proper supervision and interpretation of students' records. Parents or guardians of minors may request an appointment between 9:00 a.m. and 4:00 p.m. with the School Director. If copies of any part of a student file are requested, an administrative fee ranging from \$10.00 to \$50.00 will be charged, depending on the amount of documents that are needed.

CHAPTER III

REFUND & COLLECTION POLICIES

GDA REFUND POLICY:

1. An applicant not accepted by the school shall be entitled to a refund of all monies paid.
2. If a student or legal guardian cancels his/her enrollment and demands his/her money back in writing, within (3) business days of signing the enrollment agreement or contract, all monies collected by the school shall be refunded. The postmark on the written notification will determine the cancellation date, or the date said information is delivered to the school administrator/director in person. This policy applies regardless of whether the student has started training.
3. If a student cancels enrollment prior to classes but after three (3) business days of signing the enrollment agreement, he/she will be refunded all monies paid, minus application fee of \$100.00 after a written request has been received in the Administration Office.
4. For all students who enroll or start classes, the following schedule of tuition adjustments is authorized. A security interest on equipment is retained until related percentages are paid.
5. An administrative fee may be charged to students exiting the course prior to completion of all full courses offered by the Academy. The fee is for the amount of \$150.00. At the discretion of the manager, the fee may be waived. In the event of a family calamity, military transfer, or if the student becomes physically or mentally unable to continue, professional judgment will be exercised.
6. Enrollment time is defined as the time elapsed between the actual starting date and the date on which the student formally terminates enrollment. Formal termination occurs when the student notifies the school of his/her withdrawal, a student on an approved leave of absence notifies the school he/she will not be returning to school, or the student is expelled from school. Termination shall occur on the last day of physical attendance in school.
7. In the case of illness, disability, accident, death in the immediate family or other circumstances beyond the control of the student, the Academy may make a settlement, which is reasonable and fair to both parties.
8. Any refund due based on the above adjustment will be paid in full to Direct Loan Program, Federal PELL Grant, FSEOG, other Federal Aid, Washington State Need Grant, other State or Institutional Aid, or students (EXCLUSIVE OF WORK EARNINGS), as determined within forty-five (45) days of formal termination.
9. In the event of school closure, students will be refunded any unearned tuition paid and the school will participate in a Teach-Out Agreement.
10. In the event of a course cancellation, the school will provide completion of the course and/or program.
11. The cancellation date will be determined by the postmark upon written notification, or the date said information is delivered to the Admissions Office in person. This policy applies regardless of whether the student has started training.
12. Unofficial withdrawals for clock hour students are determined by the school through monitoring clock hour attendance weekly.
13. Any monies due a student who withdraws from the institution shall be refunded within forty-five (45) days of a determination that a student has withdrawn, whether officially or un-officially.
14. When situations of mitigating circumstances are in evidence, the school may adopt a policy wherein the refund to the student may exceed the Tuition Adjustment guidelines.
15. All extra costs such as books, equipment, graduation fees, etc., that are not included in the tuition price are stated and any non-refundable items are identified.
16. ATTENDANCE TIME IS DEFINED AS TIME ELAPSED BETWEEN THE START DATE AND THE DATE OF WHICH THE STUDENT FORMALLY TERMINATES ENROLLMENT, AS HEREIN PROVIDED. The definition of attendance time is necessitated because space is reserved in teacher's time and classroom seating for those students/purchasers enrolled. Last day of actual physical attendance on school premises will be used to compute student/purchaser's total hours accumulated for class credit purposes. Refunds are calculated based on scheduled hours.

GDA REPAYMENT POLICY

1. If the school finds that the disbursements received by a student to cover living expenses for educational costs above and beyond institutional costs (such as costs for room and board, transportation, personal and miscellaneous expenses, and child care) exceed the allowable amount for the period of enrollment, the student must repay the excess amount of disbursement.
2. Repayment from Student Financial Aid recipients must be distributed as follows:
 - a) Direct Loan Programs (Unsubsidized Loan, Subsidized Loan, Plus [parent] Loan)
 - b) Federal PELL Grant
 - c) Washington State Need Grant
 - d) Other State of Institutional Aid

Note: All financial aid shall be available for repayment.

Washington State Need Grant (WSNG) Repayment Policy

If re-payment of the Washington State Need Grant becomes necessary, payments can be made to Glen Dow Academy for up to 365 days from last date of attendance. After 365 days, this will become due and payable to the State of Washington.

COLLECTION POLICY

Glen Dow Academy refers delinquent (past due) accounts to Bonded Adjustment Company when other collection efforts are unsuccessful. Accounts are referred for collection **only** once the student has officially or unofficially withdrawn from the school, and the account is delinquent by a period of 90 days or greater. All collection procedures reflect good taste and sound, ethical business practices.

PERCENTAGE OF TIME ELAPSED BETWEEN START DATE AND FORMAL TERMINATION OF ENROLLMENT	AMOUNT OF TOTAL TUITION THE SCHOOL SHALL RECEIVE OR RETAIN
0.01% - 4.99%	20% to be retained or received
5.00% - 9.99%	30% to be retained or received
10.00% - 14.99%	40% to be retained or received
15.00% - 24.99%	45% to be retained or received
25.00% - 49.99%	70% to be retained or received
50.00% OR MORE	100% to be retained or received

WASHINGTON STATE GRANT REFUND POLICY

General

State Grant recipients, who withdraw from the institution, are expelled or otherwise complete zero credits in any give term must repay state grants on a prorated basis.

For the purposes of this policy, "Award" is the amount of state grant for which the student was eligible during the enrollment level. All monies, whether disbursed to the student account or directly to the student, shall be included in the repayment calculation.

Authority State Need Grant (WAC 250.20.054(4)) Known Last Date of Attendance

- If a student's last date of attendance can be verified and is prior to or on 50% of the term, the state grant repayment will be based on the percent of the term not completed (or the percent of the scheduled hours remaining in the payment period for clock hour schools).
- If the last date of attendance occurs after 50% of the term, the state grant award is considered 100% earned and no state grant repayment is due.

State grant repayment formula: Known last date of attendance, prior to or on 50% of the term.

- If the last date of attendance occurs after 50% of the term, the state grant award is considered 100% earned and no state grant repayment is due.

State grant repayment formula: Known last date of attendance prior to or on 50% of the term.

1. The percent of state grant earned is calculated by dividing days in attendance by calendar days in term. Scheduled breaks of five or more days should be excluded from the calculation.
2. Subtract the percent of state grant earned from 100%; this equals the percent of unearned state grant.
3. Multiply the percent of the unearned state grant by the grant amount.
4. Multiply the amount from step 3 by 50% to determine the state grant repayment due. Example: Known last date of attendance, prior to or on 50% of the term: A student is awarded \$400 for a state grant and completed 20% of the term prior to withdrawal. The state grant repayment is calculated as follows:
 - a. The unearned percentage equals 80% (100% less 20% completed).
 - b. Unearned aid equals \$320 (80% of \$400 state grant award).
 - c. The repayment equals \$160 (\$320 X 50% reduction).

Unknown last date of attendance

If a student attends a portion of a term and withdraws with no verified last date of attendance, the state grant repayment will be 50% of the grant amount with no additional adjustments.

No-Show Repayments

If a state grant recipient never attends courses in the term for which they received a state grant award, the state grant repayment is 100% of the award. If a school is unable to distinguish between a no-show and an unofficial withdrawal, the no-show policy shall apply. General repayment policies:

1. Repayments are based on the state grant award amount, including enrollment and packaging adjustments.
2. Verified withdrawal dates after 50% of the term equate to 100% earned state grant.
3. Unofficial withdrawals/no known last date of attendance equate to repayment of 50% of the state grant award.
4. No shows are 0% earned and equate to repayment of 100% of the state grant.
5. Official withdrawals or verified last date of attendance repayment calculation: State grant award amount multiplied by the percent of unearned state grant multiplied by the 50% reduction equals the state grant repayment due.
6. The 50% reduction applied at the end of the repayment computation addressed un-reimbursable start up education costs and reduces the barrier for students intending to return to school.
7. Repayments of less than \$50 should not be returned to the Washington Student Achievement Council (WSAC).
8. Institution repayment refund policy: Public institutions may choose from the following options:
 - a. Return the repayment amount directly to WSAC and collect from students.
 - b. Return the repayments to their institutional State Grant fund (if the repayment is from within the current year) and collect from students.
 - c. Refer students directly to WSAC. Private institutions that participate in the warrant payment process should refer students directly to WSAC.

Private institutions that participate in the Electronic Fund Transfer process should return state grant repayments directly to WSAC and collect from students.

CHAPTER IV

FINANCIAL AID, EVALUATION, & GRADUATION

Under provisions of national accreditation students may, with proper qualification, obtain federally insured student loans and grants. Eligible students enrolling in an accredited school may obtain some aid from federal or state agencies.

FUNDS AVAILABLE FOR AID

Glen Dow Academy of Hair Design & Salons, Inc. is eligible to apply for participation in the following programs administered by the Department of Higher Education: PELL Grants, Direct Loans (formerly Guaranteed Student Loans), FSEOG programs, as well as state level funding by Washington State Achievement Council, Washington State Need Grant, Gear Up, and College Bound.

METHODS OF FINANCING

Part B of Title IV of the Higher Education Act of 1965 created the guaranteed student loan programs. The Higher Education Amendments of 1992 (P.L. 102-325) reauthorized the Act, and renamed the guaranteed student loan programs the Federal Family Education Loan (FDLP) programs. Individual names have been changed to Federal Direct Loans (formerly Guaranteed Student Loans), Federal PLUS loans, and Federal Consolidation Loans. These programs make long-term loans available to students attending institutions of higher education, vocational, technical, business and trade school, and some foreign schools.

Direct Loans are available to undergraduate and graduate students. Formerly, the Federal Supplemental Loans for students (SLS) Program provided loans for graduate or professional students and for independent undergraduates; however, the SLS Program terms and conditions will be available through unsubsidized Direct Loans. PLUS loans are for parents of dependent students. Direct, Federal Insured Student Loans (FISL), PWS loans, Health Education Assistance Loans, and Health Professions Students Loans may be consolidated if the borrower and his or her spouse meet certain other conditions.

As of July 1, 2010, all student loans will be under the Direct Loan Program. As of September 30, 2010, no more Stafford loans were disbursed by Glen Dow Academy of Hair Design and Salons, Inc.

FEDERAL & STATE FINANCIAL ASSISTANCE

1. PELL GRANTS

The PELL grant program, formerly known as the Basic Education Opportunity Grant (BEOG), is a program of student financial aid which is authorized by Title IV, Part A, or the Educational Amendments of 1972. This program provides grants for all eligible students to assist them in meeting educational costs. In order for a student to receive a PELL Grant, he/she must have been accepted for enrollment in, or be in good standing at an eligible institution of higher education which includes vocational/technical schools.

All students may receive Pell Grants for up to 12 semesters, measured by percentage of Scheduled Award(s) disbursed. This limitation is not limited to students who received their first Pell Grant on or after July 1, 2008, as was the previous limit of 18 semesters or equivalent.

2. DIRECT LOANS

To be eligible for Direct Loans, undergraduate students attending a school that participates in the Pell Grant Program must first receive a determination of their eligibility for Pell Grants. Generally a student must be enrolled or accepted for enrollment in a degree or certificate program to receive FSA funds. Interest rates are variable, with a six (6) month grace period after graduation before repayments starts. Repayment deferments are available under certain circumstances if not in a default status. The amount that can be borrowed for dependent or independent students per each loan is dependent upon the course of study.

3. PARENT LOANS FOR UNDERGRADUATE STUDENTS (PLUS)

Parent Loans for Dependent Students enable students' parents who qualify for financial aid or whose need cannot be met by other financial aid programs to borrow directly from a bank, credit union or savings and loan association. *(continued on next page)*

Students and their parents should contact their bank for forms or they are available in the school office. It is necessary to fill out all sections applicable to you before submitting the form to the financial aid office. Information about the approval takes two (2) weeks to four (4) weeks.

4. VETERAN'S ADMINISTRATION BENEFITS

Glen Dow Academy of Hair Design & Salons, Inc. is approved by the Veteran's Administration to enroll students who are eligible to receive VA benefits. Qualifications must be accomplished by filing the proper forms with the Veteran's Administration.

ASSISTANCE IS ALSO AVAILABLE IN COORDINATION WITH BENEFITS THROUGH PUBLIC ASSISTANCE, AID TO FAMILIES WITH DEPENDENT CHILDREN, DEPARTMENT OF VOCATIONAL REHABILITATION AND OTHER SIMILAR PROGRAMS.

5. WASHINGTON STATE NEED GRANT (WSNG) and College-Bound Scholarship

The Washington State Need Grant is available to Washington resident students. Eligibility is based on financial need. Additional information is available through the school's Financial Aid Office. To receive state aid you must have completed 100% of the clock hours in a disbursement period to receive funds for that period.

State Need Grant is awarded based off of priority filing of your FAFSA on a first come first serve basis for students currently enrolled as of July 1st. Classes beginning after July 1st will be awarded based on when the class began and when the students application fee was paid to secure their enrollment. College Bound Scholars are always prioritized for the maximum State Need Grant award they are eligible for, up to 65% MFI and are always awarded their full State Need Grant eligibility prior to the awarding of any remaining state grant eligibility

with College Bound Scholarship funds. Selected programs of study at Glen Dow Academy are approved by the Workforce Training and Education Coordinating Board's State Approving Agency (WTECB/SAA) for enrollment of those eligible to receive benefits under Title 38 and Title 10, USC.

If you receive a Washington State Need Grant, there are five conditions with which you must comply. If you have questions or find that you cannot comply with these conditions, please see the Financial Aid Administrator (FAA) at the institution you are attending.

1. You do not owe a repayment for any federal or state grant nor are you in default on a state or federal student loan.
2. You must meet the minimum eligibility requirements of the program.
3. If you drop classes, you may owe a repayment of all or part of the award amount.
4. The offer of this financial assistance is subject to, and conditioned upon, the availability of funds. The Washington Student Achievement Council and the institution through which the grant is awarded reserve the right to withdraw, reduce, or modify the awards due to funding limitations or due to changes in circumstances which affect your eligibility for the program.
5. You must maintain academic progress standards following your institution's policies for state aid programs. You must not pursue a degree in theology or hold a bachelor's degree.

Glen Dow Academy does not and will not provide any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollment or financial aid to any persons or entities engaged in any student recruiting or admissions activities or in making decisions regarding the award of student financial assistance. You may choose to voluntarily make financial contributions to the Washington Student Achievement Council in recognition of the assistance you received. All voluntary contributions will be used to provide financial assistance to other students. Please contact financialaid@wsac.wa.gov for more information.

CBS eligible students are always prioritized for the maximum SNG award for which they are eligible up to 65% MFI and always receive first priority for any available SNG funding. CBS student prioritization within SNG for maximum SNG awards will not be impacted or reduced by institutional gift equity policies or by institutional SNG-based prioritization policies, such as prioritization by MFI level. Glen Dow ensures that award packages that include State Need Grant funding are subject to the program's 25% self-help rule, where 25% of the student's total cost of attendance must be covered with self-help aid, such as work study, loans, EFC, or scholarships. SNG self-help requirements are waived for College Bound Scholarship students. The SNG self-help requirement may be reduced to 12% for at-home students to recognize the resulting lower costs incurred by these students.

Generally, Glen Dow awards state financial aid in the following order
(assuming the student meets all eligibility standards for the
program/s in question):

1. State Need Grant (SNG)
2. Other state grant funds
3. College Bound Scholarship (CBS)

FINANCIAL AID PAPERWORK POLICY

Students MUST hand in all Financial Aid paperwork on time to the Financial Aid Director or they may be suspended immediately until the paperwork is completed.

STATE GIFT/GRANT AID REPAYMENT POLICY REQUIREMENTS

State Grant recipients, who withdraw from the institution, are expelled, or otherwise complete zero credits in any given term must repay state grants on a prorated basis. For the purposes of this policy, "Award" is the amount of state grant for which the student was eligible during the enrollment period, after the school made any required adjustments for need and enrollment level. All monies, whether disbursed to the student account or directly to the student, shall be included in the repayment calculation. State Grant Repayment Policy can be found in Chapter III of the catalog on Page 20.

SATISFACTORY ACADEMIC PROGRESS

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to the first day of class. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. Students who miss school may have to make up their assignments depending on the scheduled week of study at the instructor's discretion.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress at the following checkpoints, based upon their scheduled hours:

Cosmetology: 504, 1008, 1367, 1725, 2084, 2466 scheduled hours

Esthetics: 375, 750, 937, 1072 scheduled hours

Master Esthetics: 450, 900, 1050, 1200, 1716 scheduled hours

Master Esthetics Transfer Course: 175, 450, 643 scheduled hours

Manicuring: 330, 660, 943 scheduled hours

Instructor: 300, 600, 858 scheduled hours

Evaluations will include both academic (GPA%) and attendance progress (attended vs. scheduled hours), and are used to determine whether the student has met the minimum requirements for satisfactory progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course. Students are notified of their evaluation results at the time evaluations occur, and may also access those evaluation results through standard record release procedure.

ATTENDANCE PROGRESS EVALUATION

Students are required to attend a minimum of 70% of the hours possible, based on the applicable attendance schedule, in order to be considered maintaining satisfactory academic progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The federal maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below. Students that exceed the maximum timeframe, as stated below, will be withdrawn from the program. These amounts differ from the state maximum time frame of 125% of the published length of the program:

<u>COURSE</u>	<u>MAXIMUM TIME ALLOWED</u>	
	WEEKS	SCHEDULED HOURS
Cosmetology (38.75 hrs./wk.) - 1725	63.6 weeks	2466
Esthetics (30 hrs./wk.) - 750	36 weeks	1072
Manicuring (30 hrs./wk.) - 660	31.5	943
Instructor (40hrs/wk.) - 600	21.5 weeks	858
Master Esthetics (30 hrs. /wk.)-1200	56 weeks	1716

ACADEMIC PROGRESS EVALUATION

The qualitative element used to determine academic progress is a reasonable system of grades, as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical exercises. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated.

At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass both a final written and practical exam prior to graduation. Passing grades for final exams are 75% or higher. Students must make up failed or missed tests and incomplete assignments. If tests must be retaken, a fee of \$35 will be charged for each test. Numerical grades are considered according to the categories listed on the right.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. If it is determined that a student is not maintaining Satisfactory Academic Progress, they will be given a warning on their evaluation. If academic progress is not made satisfactory by the date of the next evaluation, that student will be placed on academic probation, unless they prevail upon appealing their probation status. Continued failure to maintain satisfactory progress while on probation may result in interruption of Title IV assistance.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation. If the student appeals the decision, and prevails upon appeal, they will be considered to be making satisfactory academic progress (SAP) during the first probationary period. Additionally, only students who have the ability to meet the SAP Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements for satisfactory academic progress, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds. Only students who maintain satisfactory academic progress are eligible to receive Title IV assistance. No Pell, Direct Loans, FSEOG, or State Grant Aid funds are eligible to be disbursed until the student has earned 100% of the clock hours associated with the previous disbursement period (300 intervals) and SAP requirements are being met.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed, and federal financial aid will be reinstated, if applicable.

TRANSFER HOURS

Transfer student hours are accepted and defined as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on scheduled contracted hours at the institution.

1. Glen Dow Academy must receive final verified transcripts from the previous school.
2. The length of time between leaving and re-entry into Glen Dow Academy may not be more than three (3) years.
3. Glen Dow Academy may only take transfer hours from schools licensed in Washington State.
4. All students must start with a new class and receive basic training.

Certified training hours expire three years after the last day of attendance. Any hours earned by a student that are more than three years old are considered by the department to be expired, and will not be considered valid towards initial licensure (WAC 308-20-090).

Noncredit and Remedial Courses

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

EMPLOYMENT ASSISTANCE

The Glen Dow Academy of Hair Design & Salons, Inc. maintains employment assistance for its graduates. This includes assistance in getting suitable employment and in planning a beauty salon. Many requests are listed in the Academy files of inquiring salon owners. Glen Dow Academy maintains a Job Placement bulletin board and does postings on Facebook. During business classes, students learn how to contact salons and businesses for employment. Calls from salons seeking employees are referred to graduates by the owner. The school does not guarantee employment. Glen Dow Academy has a current over-all placement rate for all courses combined of 77%.

GRADUATION FROM ALL COURSES

Students who completed the instruction and training requirements, satisfactorily passed the Academy's final examination, and paid all fees due will be furnished a diploma by the school. Students are authorized to take the Washington State Licensing examination after successful completion of all necessary hours, passing their final exams, graduating the course, and completing an in-person exit interview. A student may be referred for state examination 80 hours prior to graduation if their account with the school is paid off, but they must complete their hours and pass their final exams before taking the examination. In order to complete all graduation requirements, receive their diploma, and be eligible to take the state test, students must: Complete their required hours, pass their final exams, have their hour and requirement records be certified by the Records Office, and their account with the school must be **paid in full**.

In the event a student fails the school's final examination, portions of the examination failed may be retaken after a required 7-day waiting period. A reexamination fee of \$35.00 for each written or practical exam retake will be charged. In the event the student fails to pass a retake exam, they will not receive a diploma unless they attend an additional 160 hours of schooling, and receive a passing score on a second re-examination.

A passing grade for final exams is seventy-five percent (75%). If for **any reason** a student does not attend their scheduled final exam date, a \$35.00 fee will be charged. **If the student fails to obtain a seventy-five percent (75%) on the written examination, a re-take will be required.**

EXIT COUNSELING

All students are required, by school policy and federal regulations, to attend exit counseling prior to final departure from school, regardless of the reason of departure. At that time, all fees are to be paid in full by credit card, cash, cashier's check, or money order. Until the student account is paid in full, the final school hour sheet and state documents will not be signed, the student will not be referred to the Department of Licensing for a licensing examination, and lien equipment will not be released.
