

## Gainful Employment Disclosures – 2019

### Master Esthetics

This program is designed to be completed in 40 weeks

This program will cost \$16,511.12 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Of the students who completed this program within normal time, the typical graduate leaves with \$ 10,227 of debt.

Program meets licensure requirements in the following States: District of Columbia, Utah, Virginia, Washington. These are the only states as of yet to have a two-tier licensing system for esthetics.
