Students may request that Glen Dow Academy facilitate the purchase of their parking or bus passes, and have the cost of those passes charged to their student ledger each month. INTERNAL GRIEVANCE PROCEDURE:

Note: Nothing in this policy prevents the student from contacting the Department of Licensing at any time with a concern or complaint.

Students and staff are encouraged to try to resolve any matters of dispute by discussing them with the student(s) and staff member(s) involved. If the matter cannot be resolved in this way, those with complaints may then file a grievance form or written complaint with the School Director or owners of Glen Dow Academy of Hair Design and Salons, Inc. No grievance will be considered by management unless presented in this manner.

Formal grievances should include:

1. A brief description of the situation, including dates, times, and all pertinent information pertaining to the onset of circumstances.

3. Any steps the complainant is willing to take to resolve the situation.
4. The specific resolution/s that the complainant is seeking or recommending.

The school manager will meet with the complainant within 10 days of receipt of the written complaint. This meeting will be documented in the student's counseling record, and a copy given to the parties involved at the time of the meeting. If the grievance cannot be resolved by this process, it will then be referred to the school's grievance committee. In the event this is necessary:

- The school's grievance committee will meet within three (3) business days of receipt of the grievance and review the allegations.
- If more information is required from the complainant, a written letter outlining the additional information needed will be sent out.
- If no further information is needed, the grievance committee should act on the allegations and send a response letter to the complainant within fifteen (15) calendar days. The letter will address the steps taken to correct the problem, or information to show that the allegations were not warranted or based in fact.

If all other avenues have been exhausted and no solution has been reached, the grievance can be filed with the National Accrediting Commission of Career Arts and Sciences (NACCAS), whose contact information is listed below.

SCHOOL POLICIES

TIME CLOCK POLICY:

It is each student's responsibility to ensure, through proper use of the time clock system, as well communication with the Records Department and/or management, that their time clock entries accurately reflect their attended hours.

- 1) Students are required to clock out whenever leaving campus or taking breaks, and should clock back in only upon their return to training. Hours are only creditable to students when under supervision by their instructor.
- 2) Students are not permitted to perform any personal activity while clocked in—including but not limited to: Eating lunch, making phone calls, playing games that are not school related, or any other activity which is not directly involved in their training.
- 3) Clocking hours while not under supervision of an instructor is considered "time clock fraud". If Glen Dow Academy management discovers that a student has willingly clocked hours that are not creditable, that student may be suspended or expelled as a result.

- 4) If a student needs to leave the Glen Dow Academy campus for any reason other than their scheduled breaks, they must first be released by their instructor or the School Director, and notify the front desk.
- 5) Our time clock utilizes a fingerprint scanning system to record entries. If a student finds that their fingerprint is not being accepted by the scanner after multiple tries, it should be immediately reported to their instructor and communicated to the Records Department.
- 6) Adjustments to Clock Entries:
Students who wish to report a time clock discrepancy should either contact the Records Department directly, or fill out a "Time Clock Adjustment Request" using the log at the front desk. However, students are advised that a consistent failure to properly record their time will result in disciplinary action.

LUNCH BREAK POLICY:

1. All student lunches are scheduled as half-hour (30 minute) lunch periods only, no more and no less. Students must **always clock out** at the beginning of their lunch period, and clock back in upon returning from lunch.
2. Lunch breaks are not optional, which means that all students who are scheduled for a lunch period **MUST** clock out for a 30 minute lunch, regardless of how the student chooses to utilize those 30 minutes.
3. In the event that a student cannot complete a scheduled service in time for their scheduled lunch period, that student will be required to take their lunch immediately after that appointment is completed, if possible. If not, the student should refer to the "Compensation Time" policy below.

COMPENSATION TIME ("Comp time") POLICY:

1. Compensation time may be granted to a student who is unable to take their lunch period, or is unable to leave at their normal scheduled time, when it is specifically due to performing a client service.
2. In order to receive compensation time, students should immediately report the need for comp time to their instructor during the same day that compensation time was earned. All compensation time must be approved by the instructor before it can be considered valid.
3. A student who is granted comp time will be scheduled for an early departure, either on the same day or next scheduled day. The time of that early departure depends on the amount of time being compensated for. *(For example—approved compensation time for a missed lunch period will result in the student being scheduled to leave 30 minutes early)*

ABSENCE POLICY:

1) Absences are always considered either reported or unreported.

Absences are considered reported IF:

1. The student contacts Glen Dow Academy (509-624-3244) at least 10 minutes prior to the start of their scheduled hours, to notify a staff member that they will not be able to attend that day.
2. The absence is scheduled ahead of time using a "Request for Time Off" form (also known as "Prior Outs").
3. If a student must depart while already in attendance, the student notifies their instructor **and** the front desk that they are leaving for the day.

- ❖ Reporting absences is required for any and all absences, whether a student is absent for a full day or partial day, and the absence must be reported in advance.
- ❖ Any absence which is not reported using one of the methods listed in the box above will be considered unreported. Unreported absences may result in disciplinary action.
 - ***PLEASE NOTE: Five (5) or more consecutive unreported absences will result in discipline, up to and including termination of enrollment. At the discretion of management, extenuating circumstances may be considered if documentation is provided.***

2) Absentee fees can be incurred whether an absence is reported or unreported. Please refer to contract for exact rates. In order to prevent absentee fees, students must either:

- a. Have No-Charge Hours which can be applied (refer to "No-Charge Hours" policy on page 15) or;
- b. Submit acceptable documentation within 7 days of the absence, as outlined below.

3) Waiving absentee fees with documentation:

- a. Documentation may be provided for extenuating circumstances affecting the student or their child.
- b. Extenuating circumstances which notes may be accepted for include but may not be limited to: Illness/hospitalization, required conferences or counseling, child safety concerns, closed daycare/child's school, court dates, probation appointments, DSHS appointments, veterinary appointments, vehicular collisions, arrests, or other documented circumstances* which make it clear that the student was unable to attend due to an extenuating circumstance.
- c. Documentation must be submitted in person, through the Records Office mail slot, or by fax within 7 days of the relevant absence. At the discretion of the Director, documentation which is not submitted within 7 days may still be considered.
- d. Accepted notes will waive absentee fees for the applicable date or date range indicated by the documentation. In order to be accepted, a note **must include all of the following**:
 1. The student's full name
 2. A statement or other notation of the circumstances (*appointment/condition/etc.*)
 3. The date or date range that the student should be excused (*statements such as "excuse for 5-7 days" would also be accepted*)
 4. The name and signature of the employee providing the note, and contact information for the company/organization.
- e. For any circumstances that fall outside of the listed policy above, the School Director will solely determine if the circumstance warrants waiving absentee fees.

TARDINESS POLICY:

- ❖ **Students will be considered late if they are not present in class at the start of their scheduled hours.** This means that if a student clocks in at the same time that their scheduled hours begin, that student is already considered to be late. **Students who arrive late must check in at the 1st floor front desk immediately upon arrival.**
 - Students who are late to class may be denied entry to their classroom, in order to prevent disruptions for students who were on time. If denied entry to class, the student cannot earn hours until there is an opportunity for them to join class without disruption.
- ❖ **If a student is late or otherwise not present for a scheduled client service, and they have not reported an absence:**
 - The student's client may have their client given to a different student;
 - The student may be restricted to mannequin work for a period of time determined by their Instructor and/or the School Director, and;
 - The student may additionally receive an infraction.
- ❖ **Excessive tardiness** (at discretion of management) will result in disciplinary action, and the student will be counseled by Glen Dow Academy staff regarding their consistent failure to arrive on time.

NO-CHARGE HOURS (NCH) POLICY:

Glen Dow Academy is a clock-hour institution which expects all students to be in attendance according to their schedule, as will be expected of them when they enter their chosen field of employment. Students are also charged for absences which are not covered by a documented circumstance.

However, we also understand that regardless of a student's efforts to be in attendance, students may sometimes be absent for an unforeseen or personal circumstance that they cannot provide documentation for. For this reason, a safety net is provided to students in the form of "No-Charge Hours".

Each student begins their enrollment with five (5) days' worth of No-Charge Hours, to be determined according to the amount of hours scheduled for that student each day. NCH are automatically applied in increments of 15 minutes, to negate absence fees when the student would otherwise be charged.

Please refer to the chart below for No-Charge Hour amounts provided to full-time enrollments:

<u>Course</u>	<u>No-Charge Hours Provided at Enrollment</u>
Cosmetology (7.75 hours per day)	38.75
Manicuring (6 hours per day)	30
Esthetics (6 hours per day)	30
Master Esthetics (6 hours per day)	30
Instructor (8 hours per day)	40

LEAVE OF ABSENCE (LOA) POLICY:

Any student may request a Leave of Absence (LOA) for a maximum of one hundred eighty (180) calendar days, which must be first approved by School Management. A student who wishes to request a LOA must follow the requirements of this policy, or it can not be approved. The school reserves the right to accept or deny any leave of absence request. Leaves of Absence are intended to be utilized for the purpose of covering extenuating or unforeseen circumstances beyond the student's control and therefore, requests due to a desired vacation are not considered acceptable.

Acceptable circumstances for which an LOA may be granted include but may not be limited to: Financial or family emergencies, lack of child care, lack of transportation, debilitating injury or illness, death or serious illness in the student's family, or other mitigating circumstances as determined by management.

The following requirements must be met for all Leaves of Absence:

- 1) Requests must be submitted in advance of the date the leave is requested to begin, unless extenuating or unforeseen circumstances prevent the student from doing so (*eg. hospitalization*) and supporting documentation is provided.
- 2) Requests must be submitted in writing (*forms are available upon request*), include the reason the student is requesting the LOA, include the signature of the student requesting the leave, and will not be considered official until approved and signed by a School Manager.
- 3) In any twelve (12) month period the school may grant multiple LOAs, but the total of these multiple leaves will not exceed the maximum of one hundred eighty (180) calendar days within that period. Any request which would cause a student to exceed this maximum will be automatically denied.
- 4) A LOA will only be approved with the reasonable expectation that the student will return from that LOA and continue their enrollment.
- 5) Students on a LOA must return on the first scheduled day after their leave is scheduled to end. **Students who take an unapproved LOA or do not return after their LOA ends will be immediately withdrawn* from their course and unenrolled from Glen Dow Academy.**

**(In this circumstance, the student's withdrawal date for the purpose of calculating an institutional refund will be the student's last day of attendance. As described in our Refund Policy, the official date of withdrawal determination will be the earlier of two dates: The date the student was scheduled to return, or the date the student notifies the institution they will not be returning.)*

- ❖ If enrollment is temporarily interrupted for a leave of absence, the student will return to school in the same satisfactory academic progress status as prior to the leave of absence.
- ❖ A leave of absence will extend a student's contract period and maximum time frame by the exact number of calendar days which elapse during that leave of absence.
- ❖ A student on an approved leave of absence will not incur any additional charges as a result of that LOA, and will not be included in the student's cumulative attendance percentage calculation.
- ❖ Any changes to a student's contract period caused by a leave of absence will be confirmed by all necessary parties signing an addendum to the student's enrollment agreement, detailing the change in contract period and reason for the change.
- ❖ A leave of absence requested due to a student's medically determinable condition will be approved for up to the maximum allowable number of days (*180 calendar days in a 12-month period*), upon receiving a recommendation from a doctor, in accordance with federal regulations for extenuating circumstances (*i.e. pregnancy, surgery, etc.*).
- ❖ A student who is granted a leave of absence that meets the criteria in this policy will not be considered to have withdrawn from their enrollment, and no refund calculations will be required at that time.

If a leave of absence is granted to a student by Glen Dow Academy *prior* to receiving a request which fulfills the guidelines in this policy, the reason for the decision will be documented in the student's file, and the required written request will be collected from the student at the closest available date. In this case, the approved leave of absence will be scheduled to begin on the first date the student was unable to attend based on the extenuating or unforeseen circumstances documented.

STUDENT APPEARANCE POLICY

A student's clothing, hairstyle, makeup, and overall appearance should reflect professionalism, cleanliness, and acceptability to the general public. **Students who are not in compliance with appearance guidelines may receive an infraction, and will be asked to either get within compliance or leave for the day.**

Special "dress up" days may be designated at discretion of management, and will be announced to students when applicable. In such cases, the appearance policy may be amended for that specific day and students will be directed regarding what is and isn't allowed.

Clothing/Accessories:

1. Students are required to wear their school-issued uniform and black slacks, or dress which reaches below the student's knees. Hats are not permitted.
2. Students must be wearing their nametags at all times.
3. Visible clothing must be reasonably professional in style, and should not be ripped/torn or exposing. No advertisements, logos, or other writing is permitted other than the Glen Dow Academy logo.
4. Shoes should be of a professional style, and must be both close-toed and close-heeled. The following types of footwear are explicitly not allowed: Stiletto heels, slippers, sandals, fur, snow boots, and rubber boots.
5. Sweaters and other insulating clothing may be worn underneath a school uniform, but should not result in a "baggy" appearance. No hooded sweatshirts or jackets are allowed.
6. Jewelry/piercings are permitted if they do not have an aggressive appearance or cause a potential safety hazard.

Personal Grooming:

1. Make-up and hairstyle are to be completely adjusted before the student enters the school.
2. Nails must be kept at a reasonable length for performing necessary duties, at the discretion of management.
3. Students should avoid overusing perfumes or otherwise giving off strong odors which may be unpleasant to others.

HARASSMENT POLICY

Glen Dow Academy is committed to fostering an educational environment in which every student may feel safe and secure. Therefore, it is the expectation of Glen Dow Academy and its staff that all students will treat each other with respect and due consideration for the entire duration of their enrollment. **To that end—harassment, intimidation, persecution, belittling, and bullying will not be tolerated under any circumstances.**

Any student who feels harassed, threatened, or belittled is greatly encouraged to **submit an official grievance form or written letter to the School Director, as close as possible to the date of the event/s, and with as many specific details as possible**. Accusations concerning these sorts of behavior are taken very seriously and will be investigated thoroughly by administrative staff.

Once the complaint has been received, an official investigation will be expedited to determine whether policy has been violated, and the actions which must be taken to resolve the situation. The safety and privacy of our students will always remain top priorities throughout the process of any investigation. Violations of this policy will result in consequences up to and including expulsion, depending on severity.

Examples which constitute a violation include, but may not be limited to:

- ❖ Actions which cause a student to be in reasonable fear of physical harm or destruction of property, **whether the threat is real or perceived**;
- ❖ Creating a hostile environment which has a **clear and detrimental effect** on a student's physical or mental health, ;
- ❖ **Unwelcome sexual behavior or advances of any kind**, whether verbal or nonverbal, ;
- ❖ Unwelcome conduct or contact, verbal or physical, that is **pervasive, persistent, severe, or** otherwise causes a student to fear for his/her safety and security, regardless of intent, ;
- ❖ **"Hazing"** - Intentional and reckless acts that are directed against any other student, which endanger or threaten the physical and/or mental health of that student, or coerce that student to endanger themselves, ;
- ❖ Conduct which has the effect of substantially interfering with a student's academic performance, or with their ability to participate in or benefit from the services, activities, or privileges provided by the school, ;
- ❖ **Behavior and/or communication that is demeaning, aggressive, or otherwise disparaging**, and concerns a trait or characteristic of the student, including but not limited to: Student's race, ethnicity, sexual orientation, gender, creed, religion, age, academic capability, wealth, living conditions, physical appearance, physical or mental disability, national origin, citizenship, marital status, etc.

INFRACTION POLICY

- ❖ Infractions are official records of policy violations. Students may be issued an infraction for violating **any policy** listed in the school catalog's policy chapter.
- ❖ Infractions may be issued by instructors and administrative staff members only.
- ❖ **Most infractions are simply warnings**, informing the student that a policy has been violated, so that they may keep the violated policy in mind for the future. However, consistent or excessive infractions, especially of the same kind, can and will result in discipline up to and including suspension and expulsion. More serious or extreme violations can also result in **immediate** suspension or expulsion. Please refer to specific policy sections for explanations of what may result in disciplinary action.
- ❖ Infraction forms will detail the type of policy violation, include the date the infraction was issued as well as the date/time of the policy violation, and will indicate what action/s are being taken by Glen Dow Academy as a result of the infraction (e.g. warning, suspension, expulsion).

SERVICE ON SELF (“SOS”) POLICY

Students may receive services at the cost of product, also referred to as “Service on Self” or “SOS”. These services may be paid for using the student’s lab card, as well as cash, debit, and credit cards. **The student receiving the service is responsible for the bill of the service.**

- 1) **SOS must always be approved by the Front Desk Manager prior to the beginning of the service**, in order to ensure the proper booking of appointments for all services.
 - a. Students who wish to request SOS should first take an SOS form to their instructor for their signature of approval, and then submit the form to the front desk so it may be scheduled.
 - b. Students **ARE NOT PERMITTED** to perform SOS services without approval, and will face disciplinary action if they choose to do so.
 - c. After the service has been approved and performed, submission of the completed form and **receipt of payment must be immediately processed** at the front desk.
- 2) **Availability for SOS is first-come first-served**, and may not interfere with scheduled client services. The types of services students may receive may also be limited in some cases, according to the student’s contracted course.

SOS privileges may be suspended according to discretion of management, for any period of time which is deemed appropriate. Reasons for suspension of privileges include but are not limited to: Poor grades and attendance, unprofessional behavior, policy violations, etc.

POLICY & PROCEDURE – MONTHLY RECORD SHEETS

(“*DAYSHEETS*”)

There are two sets of daysheets which are kept in student records by Glen Dow Academy:

- The student's **personal record** (*handwritten daysheets*) and;
- The official **school record** (*network daysheets*).

Daysheets will include two pages for each month:

- One sheet to record the number of hours earned in a subject
- One sheet to record the number of services/operations which are performed from start to finish.

Entering Hours on Daysheets:

- ❖ Each row corresponds to a specific day of the month, and each column corresponds to a category. For each day you earn hours, enter the amount of hours you earned under each appropriate column on your “Hours” sheet. Your total for the day will be calculated automatically.
 - For example, time earned in a classroom lecture would be entered under the “Theory” column, and time earned practicing or performing a service would be entered under the column which corresponds to that service.
- ❖ Our time clock system records hours in increments of 15 minutes only, where 15 minutes is represented as 0.25 hours. Accordingly, hour amounts should always be divisible by 0.25 hours. **SEE EXAMPLE A:**

Tuesday: 2 hours 30 minutes of Theory + 3 hours Hair Removal + 30 minutes Safety = 6 hours total

Wednesday: 1 hour 30 minutes of Theory + 4 hours Sanitation + 30 minutes Business = 6 hours total

EXAMPLE A – Daily Hour Entries (Esthetics course)

	THEORY	HAIR REMOVAL	SANITATION	DISEASES AND DISORDERS	SAFETY	FIRST AID	BUSINESS	TOTAL
	478	110	70	10	25	7	50	750
Monday								0
Tuesday	2.5	3			0.5			6
Wednesday	1.5		4				0.5	6

EXAMPLE B – Maximum Hours Exceeded (Esthetics course)

	THEORY	HAIR REMOVAL	SANITATION	DISEASES AND DISORDERS	SAFETY	FIRST AID	BUSINESS	TOTAL
	478	110	70	10	25	7	50	750
							51	51
								0
								0

- ❖ **MAXIMUM Hours:** Each column on the “Hours” sheet corresponds to a subject of study, and has a *maximum amount* of hours that may be earned for that subject. When the maximum hours for a subject have been earned, students should focus on subjects that they have not yet completed instead.

NOTE: If maximum hours are exceeded in any category on the “Hours” sheet, the entire column will automatically be highlighted red. SEE EXAMPLE B:

Entering Operations on Daysheets:

- ❖ On your Operations sheet you will record the number of times you have performed a service/procedure from start to finish, in each required category. These practical requirements must also be signed off by your instructor using a separate document (often referred to as “circle sheets”). It is recommended that operations be recorded immediately after they have been signed as completed on your circle sheet.
- ❖ All entries on the “Operations” sheet should be whole numbers (1, 2, 3, 4, 5...), because “1” represents one completed service/procedure.
- ❖ MINIMUM Operations: Each column on the “Operations” sheet corresponds to services and procedures you will practice and perform during your enrollment. These columns have minimum amounts that must be completed prior to graduation (noted at the top of each column).

The following example demonstrates the proper way to record entries when services are practiced from start to finish:

Monday - Two bleaching treatments

Tuesday - Two facials, one haircut with clippers, two haircuts with shears, one highlight

Wednesday - Three hair coloring treatments

Thursday - Two manicures and Two pedicures

Submission of Daysheets & Due Dates:

- ❖ Handwritten daysheets must be physically submitted to the Records Office on the first school day of each month.
- ❖ Network daysheets should be completed by students prior to submitting their handwritten sheets, and will be reviewed by the Records Office for accuracy according to the hours which students have clocked. No physical submission is needed.
- ❖ A student whose daysheets are past due will be issued an infraction, and may be restricted from taking appointments until their daysheets are completed.
- ❖ Network daysheets will be reviewed for accuracy, with respect to the student's actual time clock entries. Entries which are found to be inaccurate will be highlighted, and the student should make the necessary corrections as soon as possible.

ADDITIONAL SCHOOL POLICIES

1. **For security reasons, students are only authorized to enter or exit the school through the Student Entrance.** Students MAY NOT enter or exit the building through the front door of the school or the security door in the Administration building, unless specifically authorized by staff, or while visiting outside of scheduled hours. Students found to be using these entrances without authorization may be issued an infraction.
 2. **Tobacco and/or electronic cigarette use of any kind is STRICTLY PROHIBITED** anywhere on the school campus, including the parking lot and sidewalks surrounding the campus. Use of such products on campus may result in immediate suspension.

Therefore, *without express consent*, it is illegal to record any conversation or record video anywhere on the Glen Dow Academy campus.
 - ❖ Types of communications which apply include: In-person conversations, telephone calls, electronic communications, as well as communications utilizing a device of any sort (electronic or otherwise) which is designed to record and/or transmit said communication, regardless of how the device is operated.
 4. **Cell Phone Policy:**
 - a. Students may use their cell phones for personal use during break periods or lunch, but must clock out and exit the building, unless otherwise allowed by an instructor for an educational purpose.
 - b. Students may never use the school's business lines for personal calls unless explicitly allowed by a staff member.
 - c. Students are expected to turn off their cell phones when entering a classroom, unless otherwise allowed by an instructor. Cell phones will not be confiscated—though students may be asked to store their phones in their lockers if they become a distraction, or they may be asked to leave for the day.
 - d. Students MAY NOT use their cell phones on the clinic floor or within view of clients at ANY TIME.
 5. Students may not chew gum inside the school building at any time of the day.
 6. **The school is not responsible for lost or stolen student equipment or personal property.** Lockers are provided to students for the purpose of securing their personal property, and should be kept locked at all times.

10. The elevator is **only to be used while escorting clients** to and from their appointment.
11. A **zero tolerance** policy is observed in regard to weapons and/or theft of any kind. Any objects that could be used in such a way as to harm or threaten others may be considered weapons, depending upon the circumstances. Students with weapons and/or stolen property in their possession **may be suspended or expelled as a result.**
12. Students must have instant hand sanitizer at their clinic station at all times.
13. Students **must hand in all financial aid paperwork on time** to the Financial Aid Director or they may be suspended until the paperwork is completed.
14. The school parking lot is for **client use only**. Students are not allowed to park in the parking lot at any time, even for short periods, unless explicitly allowed by the School Director. Students' family, friends, and models are also not allowed to use the school parking lot **unless they are receiving a paid service, or attending a graduation ceremony.** **Students who are being “dropped off” should direct their transportation to drop them off on the sidewalk, not in the parking lot.** Violations may result in a student infraction or suspension, and the vehicle in question may be towed.
15. **Students may be sent home for the day (suspended) for the following reasons:**
 - a. Disruptive or aggressive behavior;
 - b. Refusal to follow directions given by staff or otherwise being combative (“Insubordination”);
 - c. Refusing to take a client;
 - d. Taking unauthorized breaks;
 - e. Failure to meet student appearance guidelines, or;
 - f. Any continuous or severe policy violations which cause a disruption to the learning environment, or cause harm to the business, according to the discretion of staff.

SUBSTANCE ABUSE POLICY

A student who shows signs of impairment or substance abuse may be required to do an observed drug test within the hour. The cost of the test will be at the student's expense (\$50-\$100). If the result of the test confirms alcohol intoxication, or any amount of marijuana, amphetamines, cocaine, opiates, hallucinogens, intoxicative inhalants, GHB or any other drug which is federally illegal or is not proven to be prescribed to the student, a substance abuse counseling program may be required before the student can return to the school. In the case of prescription drugs, due to reasons of safety, Glen Dow Academy maintains the right to evaluate whether or not the student's condition is appropriate for training, regardless of physician's release. As in any case where a potential risk to safety is determined by staff, students whose prescriptions are clearly impairing them may be temporarily restricted from practical training or sent home for the day.

EXPULSION POLICY – VIOLATIONS OF CONDUCT

A student may be expelled from their course for any action or conduct which, according to the discretion of management, is disruptive to the school environment or otherwise reflects in any unfavorable way upon the institution.

Students who are expelled for conduct violations will not be allowed to re-enroll unless the school's Administration can be assured that the issue which resulted in the expulsion has been and will remain corrected.

Conduct which may result in expulsion may include, but cannot be limited to: Repeated insubordination, repeated appearance violations, five or more consecutive unreported absences, repeatedly hazardous practical performance, habitual absenteeism, highly disruptive or aggressive behavior, harassment of students or staff, making direct threats of any kind toward students or staff, making defamatory statements about the business in a public setting, alcohol possession or consumption on campus, substance-induced intoxication of any kind on campus, possession or use of illegal substances, consistent emotional instability which results in disruption to the course delivery, possession of weapons or stolen property, and other extreme or repeated policy violations.

SOCIAL MEDIA CONDUCT POLICY

The rules of conduct as outlined in this catalog also apply to social networking activity. Students of Glen Dow Academy are expected to conduct themselves in a professional manner, as they will be expected to be when entering the professional world. At all times and without deviation, students are expected to show respect for the school, its employees, its ownership, fellow students, clients, guests, vendors and all competitors.

The school and its students must be committed to standing as an example of the best industry practices in social networking by being responsible citizens and community members, by listening and responding to feedback, and by always communicating in a courteous and professional manner.

Behavior and/or content that may be deemed disrespectful, dishonest, offensive, harassing or otherwise damaging to the school's interests or reputation is not permitted. The use of social networks on company time for personal purposes is prohibited. Pictures, video recording, and audio recording on campus are also prohibited without prior approval and supervision by the management of the school.

Glen Dow Academy staff maintains the right to monitor any student activity in social networks which references the school. Violation of these guidelines will result in discipline up to and including expulsion.

2. Student records are considered confidential, and information will be released only by written consent by the student or his/her parents in accordance with FERPA regulations. In addition, the school may provide access to student and other school records as required for any accreditation process initiated by the institution, federal, state, or accrediting agencies.

 - II.) Tuition shall be adjusted as follows in item 6:
- 6.) ATTENDANCE/ENROLLMENT TIME IS DEFINED AS TIME ELAPSED BETWEEN THE START DATE AND THE DATE OF WHICH THE STUDENT FORMALLY TERMINATES ENROLLMENT, AS HEREIN PROVIDED. The definition of attendance time/enrollment time is necessitated because space is reserved in teacher's time and classroom seating for those students/purchasers enrolled. Last day of actual physical attendance on school premises will be used to compute student/purchaser's total hours accumulated for class credit purposes. Refunds are calculated based on the student's scheduled hours.

PERCENTAGE OF TIME ELAPSED BETWEEN THE START DATE AND THE DATE WHICH THE STUDENT FORMALLY TERMINATES ENROLLMENT	AMOUNT OF TOTAL TUITION SCHOOL SHALL RECEIVE OR RETAIN
0.01% - 4.99%	20% to be retained or received
5.0% - 9.99%	30% to be retained or received
10.0% - 14.99%	40% to be retained or received
15.0% - 24.99%	45% to be retained or received
25.0% - 49.99%	70% to be retained or received
50.0% - or more	100% to be retained or received

*Other Refund Policies are Pro Rata Refund, Federal Refund, State Refund and an Accrediting Agency Refund. Examples of these Refund Policies may be obtained in the Financial Aid Office. As defined by the Department of Education, the appropriate refund will be applied.

NOTE: Discounts, if any, granted for cash payment upon enrollment have been offset against fixed costs, and shall not be considered in the foregoing refund policy.

NOTE: When federal or state financial aid, loans, and/or grants are involved in the financing of student's education, such programs generally provide for the payment of your school costs and tuition only so long as you are in full-time attendance and maintaining satisfactory progress at school. If you are under any such program and you should cease your education, you are nonetheless subject to the foregoing refund policy, and you will be held personally responsible for any balance due.

- 7.) In cases of illness, disability, accident, death in immediate family, or other mitigating circumstances beyond the control of student/purchaser (to be determined by school/seller), the school/seller may, but is not required to, make a settlement which is reasonable to both parties, and which may exceed the Minimum Tuition Adjustment guidelines.
- 8.) THE PAYMENT ADJUSTMENT TERMS CONTAINED HEREIN DO NOT AFFECT OR IMPAIR THE LIEN ON EQUIPMENT, DESCRIBED ABOVE, WHICH EXISTS UNTIL RELATED PERCENTAGES OF TUITION, AND FULL PAYMENT FOR EQUIPMENT AND ALL OTHER ITEMS PROVIDED FOR HEREIN HAVE BEEN RECEIVED BY SCHOOL/SELLER. In the event a student/purchaser requests that his or her certified school record transcript be provided to him or her, for any reason, a \$20.00 fee shall be charged.
- 9.) Any refund/repayment due based on the above adjustment will be paid in full to FFELP Loans, Pell Grant, FSEOG, Washington State Need Grant, other financial aid or monies, or student, as determined within forty-five (45) days of formal termination.
- 10.) An administrative fee will be charged to students exiting the course prior to completion of all full courses offered by the Academy. The fee for this is \$150.00. At the discretion of the manager, this fee may be waived.
- 11.) In the event that an offered program is canceled and instruction ceases to be offered subsequent to a student's enrollment, students who have enrolled and for whom instruction has begun will be provided with completion of their course. If a course cancellation occurs before instruction has begun, the student will be refunded all monies paid.
- 12.) In the event that Glen Dow Academy permanently closes and ceases to offer instruction, Glen Dow Academy will participate in a Teach-Out agreement which shall be open to all students who have enrolled and for whom instruction has already begun.
- 13.) To insulate students from the impact of a potential school closure, pursuant to RCW 18.16.310 and WAC 308-20-580, Glen Dow Academy and the Washington State Department of Licensing maintain a "Tuition Recovery Trust Fund". Those wishing to access more detailed information concerning this fund are encouraged to review the previously referenced regulations at <http://www.dol.wa.gov> and <https://apps.leg.wa.gov>. The Department of Licensing may also be reached directly by calling (360) 664-6626.
- 14.) This refund policy is applied to all terminations, regardless of the reason for the termination or the party which initiated the termination, including but not limited to: Student notification, termination of student enrollment by Glen Dow Academy, course cancellations, and school closure. If a student notifies Glen Dow Academy that they are withdrawing, the postmark on written notification will determine the cancellation date, or the date said information is delivered to school administrator/owner in person. Unofficial withdrawals are determined by weekly monitoring of clock hour attendance.
- 15.) Collection procedures on all accounts will reflect good taste and sound, ethical business practices. Any third parties who receive student information for the purpose of collection will comply with Glen Dow Academy's cancellation and withdrawal and settlement policies.

GLEN DOW ACADEMY REPAYMENT POLICY

1. If the school finds that the disbursements received by a student to cover living expenses for educational costs above and beyond institutional costs (such as costs for room and board, transportation, personal and miscellaneous expenses, and child care) exceed the allowable amount for the period of enrollment, the student must repay the excess amount of disbursement.
2. Repayment from Student Financial Aid recipients must be distributed as follows:
 - a) Direct Loan Programs (Unsubsidized Loan, Subsidized Loan, Plus [parent] Loan)
 - b) Federal PELL Grant
 - c) Washington State Need Grant
 - d) Other State of Institutional Aid

Note: All financial aid shall be available for repayment.

Washington State Need Grant (WSNG) Repayment Policy

If re-payment of the Washington State Need Grant becomes necessary, payments can be made to Glen Dow Academy for up to 365 days from last date of attendance. After 365 days, this will become due and payable to the State of Washington.

COLLECTION POLICY

Glen Dow Academy refers delinquent (past due) accounts to Bonded Adjustment Company when other collection efforts are unsuccessful. Accounts are referred for collection **only** once the student has officially or unofficially withdrawn from the school, and the account is delinquent by a period of 90 days or greater. All collection procedures reflect good taste and sound, ethical business practices. Upon exit from enrollment, tuition will be adjusted according to the following guidelines, in accordance with item 6 of Glen Dow Academy's Refund Policy:

<u>PERCENTAGE OF TIME ELAPSED BETWEEN THE START DATE AND THE DATE WHICH THE STUDENT FORMALLY TERMINATES ENROLLMENT</u>	<u>AMOUNT OF TOTAL TUITION SCHOOL SHALL RECEIVE OR RETAIN</u>
0.01% - 4.99%	20% to be retained or received
5.0% - 9.99%	30% to be retained or received
10.0% - 14.99%	40% to be retained or received
15.0% - 24.99%	45% to be retained or received
25.0% - 49.99%	70% to be retained or received
50.0% - or more	100% to be retained or received

WASHINGTON STATE GRANT REFUND POLICY

General

State Grant recipients, who withdraw from the institution, are expelled or otherwise complete zero credits in any give term must repay state grants on a prorated basis.

For the purposes of this policy, "Award" is the amount of state grant for which the student was eligible during the enrollment level. All monies, whether disbursed to the student account or directly to the student, shall be included in the repayment calculation.

Authority State Need Grant (WAC 250.20.054(4)) Known Last Date of Attendance

- If a student's last date of attendance can be verified and is prior to or on 50% of the term, the state grant repayment will be based on the percent of the term not completed (or the percent of the scheduled hours remaining in the payment period for clock hour schools).
- If the last date of attendance occurs after 50% of the term, the state grant award is considered 100% earned and no state grant repayment is due.

State grant repayment formula: Known last date of attendance, prior to or on 50% of the term.

- If the last date of attendance occurs after 50% of the term, the state grant award is considered 100% earned and no state grant repayment is due.

State grant repayment formula: Known last date of attendance prior to or on 50% of the term.

1. The percent of state grant earned is calculated by dividing days in attendance by calendar days in term. Scheduled breaks of five or more days should be excluded from the calculation.
2. Subtract the percent of state grant earned from 100%; this equals the percent of unearned state grant.
3. Multiply the percent of the unearned state grant by the grant amount.
4. Multiply the amount from step 3 by 50% to determine the state grant repayment due. Example: Known last date of attendance, prior to or on 50% of the term: A student is awarded \$400 for a state grant and completed 20% of the term prior to withdrawal. The state grant repayment is calculated as follows:
 - a. The unearned percentage equals 80% (100% less 20% completed).
 - b. Unearned aid equals \$320 (80% of \$400 state grant award).
 - c. The repayment equals \$160 (\$320 X 50% reduction).

Unknown last date of attendance

If a student attends a portion of a term and withdraws with no verified last date of attendance, the state grant repayment will be 50% of the grant amount with no additional adjustments.

No-Show Repayments

If a state grant recipient never attends courses in the term for which they received a state grant award, the state grant repayment is 100% of the award. If a school is unable to distinguish between a no-show and an unofficial withdrawal, the no-show policy shall apply. General repayment policies:

1. Repayments are based on the state grant award amount, including enrollment and packaging adjustments.
2. Verified withdrawal dates after 50% of the term equate to 100% earned state grant.
3. Unofficial withdrawals/no known last date of attendance equate to repayment of 50% of the state grant award.
4. No shows are 0% earned and equate to repayment of 100% of the state grant.
5. Official withdrawals or verified last date of attendance repayment calculation: State grant award amount multiplied by the percent of unearned state grant multiplied by the 50% reduction equals the state grant repayment due.
6. The 50% reduction applied at the end of the repayment computation addressed un-reimbursable start up education costs and reduces the barrier for students intending to return to school.
7. Repayments of less than \$50 should not be returned to the Washington Student Achievement Council (WSAC).
8. Institution repayment refund policy: Public institutions may choose from the following options:
 - a. Return the repayment amount directly to WSAC and collect from students.
 - b. Return the repayments to their institutional State Grant fund (if the repayment is from within the current year) and collect from students.
 - c. Refer students directly to WSAC. Private institutions that participate in the warrant payment process should refer students directly to WSAC.

Private institutions that participate in the Electronic Fund Transfer process should return state grant repayments directly to WSAC and collect from students.

CHAPTER IV

FINANCIAL AID, EVALUATION, and GRADUATION

Under provisions of national accreditation students may, with proper qualification, obtain federally insured student loans and grants. Eligible students enrolling in an accredited school may obtain some aid from federal or state agencies.

FUNDS AVAILABLE FOR AID

Glen Dow Academy of Hair Design and Salons, Inc. is eligible to apply for participation in the following programs administered by the Department of Higher Education: PELL Grants, Direct Loans (formerly Guaranteed Student Loans), FSEOG programs, as well as state level funding by Washington State Achievement Council, Washington State Need Grant, Gear Up, and College Bound.

METHODS OF FINANCING

Part B of Title IV of the Higher Education Act of 1965 created the guaranteed student loan programs. The Higher Education Amendments of 1992 (P.L. 102-325) reauthorized the Act, and renamed the guaranteed student loan programs the Federal Family Education Loan (FDLP) programs. Individual names have been changed to Federal Direct Loans (formerly Guaranteed Student Loans), Federal PLUS loans, and Federal Consolidation Loans. These programs make long-term loans available to students attending institutions of higher education, vocational, technical, business and trade school, and some foreign schools.

Direct Loans are available to undergraduate and graduate students. Formerly, the Federal Supplemental Loans for students (SLS) Program provided loans for graduate or professional students and for independent undergraduates; however, the SLS Program terms and conditions will be available through unsubsidized Direct Loans. PLUS loans are for parents of dependent students. Direct, Federal Insured Student Loans (FISL), PWS loans, Health Education Assistance Loans, and Health Professions Students Loans may be consolidated if the borrower and his or her spouse meet certain other conditions.

As of July 1, 2010, all student loans will be under the Direct Loan Program. As of September 30, 2010, no more Stafford loans were disbursed by Glen Dow Academy of Hair Design and Salons, Inc.

FEDERAL and STATE FINANCIAL ASSISTANCE

1. PELL GRANTS

The PELL grant program, formerly known as the Basic Education Opportunity Grant (BEOG), is a program of student financial aid which is authorized by Title IV, Part A, or the Educational Amendments of 1972. This program provides grants for all eligible students to assist them in meeting educational costs. In order for a student to receive a PELL Grant, he/she must have been accepted for enrollment in, or be in good standing at an eligible institution of higher education which includes vocational/technical schools.

All students may receive Pell Grants for up to 12 semesters, measured by percentage of Scheduled Award(s) disbursed. This limitation is not limited to students who received their first Pell Grant on or after July 1, 2008, as was the previous limit of 18 semesters or equivalent.

2. DIRECT LOANS

To be eligible for Direct Loans, undergraduate students attending a school that participates in the Pell Grant Program must first receive a determination of their eligibility for Pell Grants. Generally a student must be enrolled or accepted for enrollment in a degree or certificate program to receive FSA funds. Interest rates are variable, with a six (6) month grace period after graduation before repayments starts. Repayment deferments are available under certain circumstances if not in a default status. The amount that can be borrowed for dependent or independent students per each loan is dependent upon the course of study.

3. PARENT LOANS FOR UNDERGRADUATE STUDENTS (PLUS)

Parent Loans for Dependent Students enable students' parents who qualify for financial aid or whose need cannot be met by other financial aid programs to borrow directly from a bank, credit union or savings and loan association. Students and their parents should contact their bank for forms or they are available in the school office. It is necessary to fill out all sections applicable to you before submitting the form to the financial aid office. Information about the approval takes two (2) weeks to four (4) weeks.

4. VETERAN'S ADMINISTRATION BENEFITS

Glen Dow Academy of Hair Design and Salons, Inc. is approved by the Workforce Training and Education Coordinating Board's State Approving Agency (WTECB/SAA) to enroll students who are eligible to receive VA benefits. Qualifications must be accomplished by filing the proper forms with the Veteran's Administration. Student enrollment is limited to 85% veteran enrollment per cohort year. If a program has reached the 85% cap, a veteran student may still enroll in the program, but will not be eligible for VA funding. Chapter 35 and 31 students may still enroll even if the 85% has been realized. All fees are nonnegotiable and required.

ASSISTANCE IS ALSO AVAILABLE IN COORDINATION WITH BENEFITS THROUGH PUBLIC ASSISTANCE, AID TO FAMILIES WITH DEPENDENT CHILDREN, DEPARTMENT OF VOCATIONAL REHABILITATION AND OTHER SIMILAR PROGRAMS.

5. WASHINGTON STATE NEED GRANT (WSNG) and College-Bound Scholarship

The Washington State Need Grant is available to Washington resident students. Eligibility is based on financial need. Additional information is available through the school's Financial Aid Office. To receive state aid you must have completed 100% of the clock hours in a disbursement period to receive funds for that period.

State Need Grant is awarded based off of priority filing of your FAFSA on a first come first serve basis for students currently enrolled as of July 1st. Classes beginning after July 1st will be awarded based on when the class began and when the student's application fee was paid to secure their enrollment. College Bound Scholars are always prioritized for the maximum State Need Grant award they are eligible for, up to 65% MFI and are always awarded their full State Need Grant eligibility prior to the awarding of any remaining state grant eligibility with College Bound Scholarship funds.

If you receive a Washington State Need Grant, there are five conditions with which you must comply. If you have questions or find that you cannot comply with these conditions, please see the Financial Aid Administrator (FAA) at the institution you are attending.

1. You do not owe a repayment for any federal or state grant nor are you in default on a state or federal student loan.
2. You must meet the minimum eligibility requirements of the program.
3. If you drop classes, you may owe a repayment of all or part of the award amount.
4. The offer of this financial assistance is subject to, and conditioned upon, the availability of funds. The Washington Student Achievement Council and the institution through which the grant is awarded reserve the right to withdraw, reduce, or modify the awards due to funding limitations or due to changes in circumstances which affect your eligibility for the program.
5. You must maintain academic progress standards following your institution's policies for state aid programs. You must not pursue a degree in theology or hold a bachelor's degree.

Glen Dow Academy does not and will not provide any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollment or financial aid to any persons or entities engaged in any student recruiting or admissions activities or in making decisions regarding the award of student financial assistance. You may choose to voluntarily make financial contributions to the Washington Student Achievement Council in recognition of the assistance you received. All voluntary contributions will be used to provide financial assistance to other students. Please contact financialaid@wsac.wa.gov for more information.

CBS eligible students are always prioritized for the maximum SNG award for which they are eligible up to 65% MFI and always receive first priority for any available SNG funding. CBS student prioritization within SNG for maximum SNG awards will not be impacted or reduced by institutional gift equity policies or by institutional SNG-based prioritization policies, such as prioritization by MFI level. Glen Dow Academy ensures that award packages that include State Need Grant funding are subject to the program's 25% self-help rule, where 25% of the student's total cost of attendance must be covered with self-help aid, such as work study, loans, EFC, or scholarships. SNG self-help requirements are waived for College Bound Scholarship students. The SNG self-help requirement may be reduced to 12% for at-home students to recognize the resulting lower costs incurred by these students.

Generally, Glen Dow Academy awards state financial aid in the following order
(assuming the student meets all eligibility standards for the program in question):

- | | |
|----|---------------------------------|
| 1. | State Need Grant (SNG) |
| 2. | Other state grant funds |
| 3. | College Bound Scholarship (CBS) |

FINANCIAL AID PAPERWORK POLICY

Students MUST hand in all Financial Aid paperwork on time to the Financial Aid Director or they may be suspended immediately until the paperwork is completed.

STATE GIFT/GRANT AID REPAYMENT POLICY REQUIREMENTS

State Grant recipients, who withdraw from the institution, are expelled, or otherwise complete zero credits in any given term must repay state grants on a prorated basis. For the purposes of this policy, "Award" is the amount of state grant for which the student was eligible during the enrollment period, after the school made any required adjustments for need and enrollment level. All monies, whether disbursed to the student account or directly to the student, shall be included in the repayment calculation. State Grant Repayment Policy can be found in Chapter III of the catalog on Page 28.

SATISFACTORY ACADEMIC PROGRESS (“SAP”) POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school in a specific program and scheduled for a particular category of attendance (part-time/full-time). It is printed in the catalog to ensure that all students receive a copy prior to enrollment. This policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. Students who miss school may have to make up their assignments depending on the scheduled week of study at the instructor's discretion.

EVALUATION CHECKPOINTS:

Students are evaluated for Satisfactory Academic Progress upon reaching the following checkpoints, based upon their scheduled hours:

Course	Evaluation Checkpoints
Cosmetology Course (Academic year: 1008 hours)	504, 1008, 1367, 1725, 2096* scheduled hours
Esthetics Course (Academic year: 750 hours)	375, 750, 911* scheduled hours
Master Esthetics Course (Academic year: 900 hours)	450, 900, 1050, 1200, 1458* scheduled hours
Manicuring Course (Academic year: 660 hours)	330, 660, 802* scheduled hours
Instructor Course (Academic year: 600 hours)	300, 600, 729* scheduled hours

**These evaluation points are scheduled past the total number of hours in the course. They are scheduled in this way to account for scheduled hours which may not be met, pushing the student's total scheduled hours past the minimum amount required for course completion.*

Evaluations will include both academic (GPA%) and attendance progress (attended vs. scheduled hours), and are used to determine whether the student has met the minimum requirements for satisfactory progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course. Students are notified of their evaluation results at the time evaluations occur, given a copy of their Satisfactory Academic Progress Evaluation Report, and may also access those evaluation results through standard record release procedure.

ATTENDANCE PROGRESS EVALUATION

In order to be considered maintaining satisfactory academic progress, students are required to attend a minimum of 70% of the hours possible, based on the applicable attendance schedule. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The federal maximum time frame (which does not exceed 143%* of the course length) allowed for students to complete each course is stated below. Students, who are unable to graduate from their program in that program's maximum timeframe, as stated below, will be automatically withdrawn from the program.

*State financial aid programs administered by Washington Student Achievement Counsel (WSAC) have a maximum time frame of 125% of the published program length. If a student who is eligible for these state programs does not graduate within this maximum time frame, they will be able to stay enrolled up to the federal maximum time frame of 143% of course length, but may lose eligibility for these programs.

<u>COURSE</u>	<u>MAXIMUM TIME ALLOWED</u>	
	<u>WEEKS</u>	<u>SCHEDULED HOURS</u>
Cosmetology (38.75 hrs./wk.) - 1725	63.6 weeks	2466
Esthetics (30 hrs./wk.) - 750	36 weeks	1072
Manicuring (30 hrs./wk.) - 660	31.5	943
Instructor (40hrs/wk.) - 600	21.5 weeks	858
Master Esthetics (30 hrs. /wk.)-1200	56 weeks	1716

ACADEMIC PROGRESS EVALUATION

The qualitative element used to determine academic progress is a reasonable system of grades, as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical exercises. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated.

At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass both a final written and practical exam prior to graduation. Passing grades for final exams are 75% or higher. Students must retake failed or missed tests and incomplete assignments, but retaken tests will not replace the previous grade. If final exams must be retaken, a fee of \$35 will be charged for each retaken final. Numerical grades are considered according to the categories listed on the right.

DETERMINATION OF PROGRESS STATUS

Glen Dow Academy notifies students of any evaluation that impacts the student's eligibility for financial aid. Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. If it is determined that a student is not maintaining Satisfactory Academic Progress, they will be given a warning on their evaluation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after a warning period may be placed on probation if: The student appeals the decision, prevails upon appeal, and it is mathematically possible for that student to meet Satisfactory Progress by the next checkpoint. If it is not possible for the student to meet Satisfactory Progress standards by the next checkpoint, Glen Dow Academy may choose to assign an academic plan for the student which, if followed by the student, will allow them to meet satisfactory progress by a specific point within the maximum timeframe of their course. Any student will be allowed to appeal a satisfactory progress determination, though approval of an appeal is not guaranteed. Students will be advised in writing of the actions required to attain satisfactory academic

progress in the required timeframe. The institution will notify students of any evaluation that impacts the student's eligibility for financial aid.

If a student is placed on probation with an academic plan, their ability to meet the requirements of that plan will be reevaluated at the subsequent checkpoint to ensure that it is still possible for them to meet that plan. Students who are meeting the requirements set forth in their specific academic plans are considered to be making Satisfactory Academic Progress.

If a student has still not met both the attendance and academic requirements for satisfactory academic progress by the end of a probationary period, he/she will be determined as NOT making satisfactory academic progress and will be deemed ineligible to receive Title IV, HEA program funds. A student who has lost their eligibility for Title IV, HEA program funds may regain eligibility after reaching the minimum satisfactory academic progress standards by either the next scheduled checkpoint, or by the end of an academic plan if one has been assigned.

Only students who maintain satisfactory academic progress are eligible to receive Title IV, HEA program funds, unless the student is on warning or has prevailed upon appeal of a determination which has resulted in the status of probation.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress by meeting minimum attendance and academic requirements, or by prevailing upon appeal of their progress determination.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress for two consecutive evaluation periods, the student may appeal the determination within ten calendar days of that determination. Any student may submit an appeal of this nature, for any reasons they decide to include, although approval of appeals is dependent on the discretion of management and is therefore not guaranteed. Reasons for which a student might appeal a negative progress determination could include: death of a relative, an injury or illness of the student, or other special or mitigating circumstances which have prevented the student from being able to meet satisfactory progress standards.

The student must submit their written and signed appeal to the school, including any reasons and documentation that outlines why their unsatisfactory progress determination should be excused at that time. Appeals should indicate the student's plan for meeting SAP standards, or what has changed about the student's situation that will allow them to meet SAP standards by the next evaluation point. Appeal documents will be reviewed by Glen Dow Academy, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the SAP determination will be reversed, and the student's financial aid eligibility will be reinstated if applicable.

CREDITABLE HOURS

Creditable hours are defined as actual time spent in class, working on class projects, practicing services on mannequins, or performing services on clients. Students are expected to record and submit their hours on a monthly basis. Eligibility certification for Washington State License Examination will be determined when required hours of creditable attendance are obtained, and practical requirements have been fulfilled.

GRADUATION REQUIREMENTS FOR ALL COURSES

In order to be considered graduated from the course and receive a diploma, a student must: Complete all required hours and training requirements for their course, pass their final exams with a grade of seventy-five percent (75%) or higher, have their hour and requirement records be certified by the Records Office, complete student loan exit counseling if necessary, and complete an in-person Exit Interview. Students will be approved by Glen Dow Academy to take their state examinations for licensure **only after all course requirements are complete, and the student's account with the school is paid in full.***

*Veteran students who are VA beneficiaries will not be prevented from registering for their exams due to a remaining account balance, if that remaining balance is due to a pending payment from VA. Please refer to 'Veterans Benefits Approval Statement' on page 7.

In the event a student fails the school's final examination, portions of the examination failed may be retaken after a required 7-day waiting period. A reexamination fee of \$35.00 for each written or practical exam retake will be charged.

A passing grade for final exams is seventy-five percent (75%). If for **any reason** a student does not attend their scheduled final exam date, a \$35.00 fee will be charged. **If the student fails to obtain a seventy-five percent (75%) on their final written or practical examination, a re-take will be required.**

EXIT COUNSELING

All students are required, by school policy and federal regulations, to attend exit counseling prior to final departure from school, regardless of the reason of departure. At that time, all fees are to be paid in full by credit card, cash, cashier's check, or money order. Until the student account is paid in full, the final school hour sheet and state documents will not be signed, the student will not be referred to the Department of Licensing for a licensing examination, and lien equipment will not be released.

EMPLOYMENT ASSISTANCE

The Glen Dow Academy of Hair Design and Salons, Inc. maintains employment assistance for its graduates. This includes assistance in getting suitable employment and in planning a beauty salon. Many requests are listed in Glen Dow Academy files of inquiring salon owners. Glen Dow Academy maintains a Job Placement bulletin board and does postings on Facebook. During business classes, students learn how to contact salons and businesses for employment. Calls from salons seeking employees are referred to graduates by the owner. The school does not guarantee employment.

Noncredit and Remedial Courses

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER STUDENTS

Glen Dow Academy may accept a transfer of student hours from other institutions in Washington State. Transfer student hours are defined as both attempted and completed hours for the purpose of determining when the allowable maximum time frame will be exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

1. Glen Dow Academy must receive final verified transcripts from the previous school.
2. The length of time between leaving and re-entry into Glen Dow Academy may not be more than three (3) years.
3. Glen Dow Academy may only take transfer hours from schools licensed in Washington State.
4. All students must start with a new class and receive basic training.
5. Students transferring from another institution in Washington State will be accepted with a mutual agreement between the student and Glen Dow Academy as to the creditable hours accepted according to Academy scale of credit.

Certified training hours expire three years after the last day of attendance. Any hours earned by a student that are more than three years old are considered by the department to be expired, and will not be considered valid towards initial licensure (WAC 308-20-090).
